Training/Videos

- E-Learning Modules for KT (from Melanie Barwick) - <https://melaniebarwick.com/knowledge-translation-tools/>
- Innovation York, York University – [MobilizeU](#)
 - 8-week self-directed online course with optional weekly live sessions designed for faculty researchers, postdoctoral fellows, graduate students, staff, alumni, and community partners who are interested in learning more about Knowledge Mobilization.
- Canadian Evaluation Society – [e-Institute](#)
 - The CES e-Institute is an online professional development platform designed to suit the diverse needs of evaluation learners. Designed by and for evaluators, these courses further the development of evaluation competencies, and reflect CES member needs, recent developments in the field and gaps in professional development offerings.

Knowledge Translation

PLANNING TOOL

A yellow circular logo with the letters 'KT' in black.

- 1) What is the research question? (what is the problem?)
- 2) How is your research uniquely positioned?
- 3) Who are you mobilizing for? (who is the audience?)
- 4) How do you plan to mobilize knowledge to impact the problem? (what approach, format, media)
- 5) Why do you want to evaluate? How will the knowledge/research be used?
- 6) How will you evaluate? (what measures, what will success look like?)
